Mohammed Bin Rashid Al Maktoum City, District One – part of the master development Meydan – recently revealed the launch of ORB Tower, the community’s latest tower with phenomenal amenities during an event held on 10th March 2020 at District One Sales Centre.

During the event, Mohammad Abdul Nasser Al Khayat, Senior Vice President – Mall and Commercial, Meydan Group LLC, unveiled the features of the tower to the attendees from the Senior Management of Meydan Group, dignitaries and Senior Management of Mohammed Bin Rashid Al Maktoum City, District One, brokers, partners and other prominent guests.

ORB Tower, a 20-storey tower, has brought some unique features to its residents, adding a new perspective to Dubai’s most prestigious community. The tower was named ORB – meaning spherical object or globe, like the world – and is a reflection of the holistic view that residents of the tower will have of the entire community and its mesmerizing features from the world’s largest man-made 7-km Crystal lagoon to the acres of lush greenery and eye-catching architectural designs.

It includes a Private Terrace Café for many relaxing evenings to meet with friends and residents of the community while enjoying stunning views. District One has been dedicated to promoting a healthy and active lifestyle for residents with its 8.4 km Cycling Track, the tower allows residents to work out with style and a view with its Roof-top Health Club, fully-equipped with the latest machines. In addition, to unwind and relax after a long day, take a dip in the Roof-top Pool overlooking the stunning crystal lagoon and the greenery surrounding the community.

The Tower is part of D1 Residences, a group of towers surrounded by the crystal lagoon and acres of lush greenery. These water-front contemporary homes comprising 2, 3 and 4 bedrooms are bathed in natural light that streams through ceiling-to-floor windows. Complimented by an astonishing interior, reflecting the beauty of the exterior design of the tower.

Mr. Al Khayat said, "ORB Tower is certainly raising the bar on the luxury towers segment in Dubai with its unique features and captivating view of the striking property, making residents of this community enjoy a resort-living style every day at District One."
