The aforementioned list shows trademarks registered by Crystal Lagoons® in accordance with the U.S Federal legislation or further international legislations (over 180 countries and territories) or in some cases the intensive use that Crystal Lagoons® makes in order to establish a link between the brands and its products and services as a designation of their origin in the market.

Trade Dress

A Trade Dress can be the total image and overall appearance or the totality of the elements to distinguish a product or service in the market. Crystal Lagoons® makes great efforts to create a distinctive overall appearance for its products and services, which are offered in the market, among others, through its website, renders, drawings, images, architectural plans, designs, marketing material (including photos and videos), slogans, etc. All these elements are part of the trade dress of Crystal Lagoons® and their partial or total reproduction or imitation is strictly prohibited unless expressly authorized in writing.

Use of Trademarks

Trademarks are important assets for Crystal Lagoons®. The use of proprietary trademarks and signs of Crystal Lagoons® is subject to authorization.

Unless expressly authorized, Crystal Lagoons® trademark or other trademark or brand part of the Company's portfolio cannot be used as part of other trademarks or signs, business names and/or domain names, in connection with any product or service in any manner that is likely to cause confusion or create the impression that Crystal Lagoons® endorses any product or service.

Proper use of Crystal Lagoons® trademark must comply with the following:

- Crystal Lagoons® (adjective) is a registered trademark and the generic name of the product it designates is a man-made lagoon (noun). Therefore a man-made lagoon with Crystal Lagoons® technology must never be referred to as the/a “Crystal Lagoon” or the “Crystal Lagoons”.
- The visual or grammatical components comprising the Crystal Lagoons® trademark cannot be in any way altered or modified.
- The use of Crystal Lagoons® must be accompanied with the appropriate registration notation/symbol (®) in accordance with the local practice and legislation of each country or territory. Please contact our Branding department before starting any use to ensure that the proper notation is made.
